Realizing the need to consolidate development and deliver the benefits to our people, KWSG is creating shared prosperity for all stakeholders by resourcefully optimizing our strengths and leveraging opportunities to continuously strengthen the following areas:

I. IMPACTIVE ECONOMIC GROWTH

- Strong support for commercial agriculture through Public Private Partnership (PPP) initiatives
- Generating food security by supporting small holding farmers
- Creating agro-allied jobs and wealth through value chain management
- Promoting all-seasons farming using advanced irrigation systems
- Inducing growth and job creation by promoting the state's capacity to attract solid mineral-based and agro-allied industries

II. HUMAN CAPITAL DEVELOPMENT AND YOUTH EMPOWERMENT

- Youth job and wealth creation through targeted programmes and policies
- Promoting youth entrepreneurship via support for Micro, Small and Medium Scale Enterprises
- Developing youth capacity with skill acquisition and vocational training
- Creating a conducive atmosphere to learning using enhanced education infrastructure

III. STRATEGIC INFRASTRUCTURE

- Strengthening healthcare delivery through 500 meter access to quality primary health centres supported by a cluster of secondary health institutions
- Ensuring state-wide access to clean water within a 500 meter radius
- Improving supply of electricity to enhance our people's well-being and enhance businesses through infrastructure provision
- Building a first-class road network to complement our strategic priorities and enhance our people's welfare
- Guaranteeing the security of lives and property through strategic support to security agencies

IV. EFFECTIVE GOVERNANCE

- Implementing a service charter with a strong emphasis on performance management, monitoring and reward through performance contracts
- Promoting transparency through openness and public accountability
- Encouraging high-levels of advocacy in all government activities
- Becoming the most efficient state government in Nigeria using capacity building and service reform
